# Introducing the Caroma® Flow High-efficiency Showerhead

Featuring a Nominal Flow Rate of 1.5gpm/5.7L at 80 psi

Concentrated spray rinse flow with heavier droplets

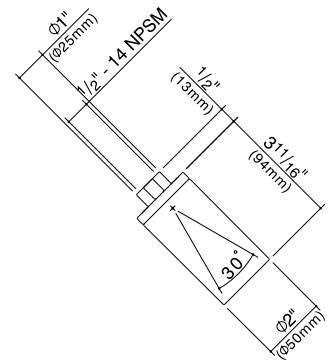

Wide spray pattern for maximum coverage

**Caroma® Flow Showerhead incorporates a precision engineered nozzle** that pressurizes water to produce a uniform spray of soft water droplets, maximizing comfort while saving up to 10 gallons more water than the standard 2.5gpm showerhead.\*

- Incorporates a unique easy-slide spray adjustment, ranging from a wide coverage spray to a concentrated rinse of heavier water droplets
- Easy to install in both retrofit and new construction (fits on standard shower arm)
- WaterSense® Labeled (Pending)

\*Based on a 10-minute shower
